Pray for July 14th Staff & Elders Retreat

Please set your device to alert you at 7:14 a.m. or p.m. and pray for our important gathering of Parkside leaders. Some specific prayers would be:

- That during our extended prayer time we will hear and respond to leading of the Holy Spirit.
- That our facilitator, Dave Workman, will skillfully lead us through discussions.
- That we will have consensus and clarity on how to lead Parkside into the immediate future.
- That the day will result in a simple and workable plan that is at the heart of God's heart.
- That our church family will rally around this plan and step into involvement with it.

The Bible is Our Treasure

God's Word is with us wherever we go.
We will never outgrow our need for God's Word.

The Bible tells me:

- God made me the way I am.
- God loves me all the time.
- I can be part of God's family.
- Jesus wants to be my friend forever.

Psalm 119:11 "I have hidden your word in my heart."

Soccer, Basketball, Cheerleading, and Art

For Children Entering 1st – 6th grade

Wednesday - Friday, August 8th-10th, from 9 a.m. to Noon

The best part of being on a sports team is sharing experiences together. Success comes from cooperation and respect, even when someone makes a mistake. These same qualities that help athletes win are also valuable in everyday life. Children choose one sport or activity to focus on every day. A special part of MEGA Camp is small groups or Huddle Groups. Coaches will focus on individual skill work and improving players' abilities. Players will practice their skills in game-related activities.

Volunteers are needed as Huddle Coaches, registration, snack servers and first aid. Join our coaches Matt Robinson, Lynn Woods, and Shanna O'Dell! Please contact Matt@parksidechristian.com.

Studies In Scripture

Through July and August, the Studies in Scripture class, led by Allyn Phillips, will be focusing on the minor prophets. These last twelve books are called minor, not due to lack of importance, but because of their size. People often think of prophecy as future prediction; in reality, most of the prophetic utterances dealt with a call for faithfulness and repentance. In this study, we will place the letters into their historical contexts, discuss the problems that occurred, reflect upon the relevance, and how they apply to us today. Please join us at **9:30 a.m. Sunday** mornings in **Heritage room A!**
