

To the Elders of Parkside Christian Church,

Katie and I have been blessed beyond measure to be part of the community at Parkside these past seven years. We have birthed five children and dedicated them all at Parkside with this congregation encouraging us along that process. We have built community with the worship band and across many other avenues of the church body and have grown closer to God because of those relationships.

It is therefore with a heavy heart that I inform you of my call away from Parkside. I believe wholeheartedly that God is calling us from this place to a new season in life. In order to facilitate this change, I request that my employment at Parkside become part-time until it comes to a close on April 30, 2019.

Again, thank you for a rich seven years of serving God together. I am sure that even after we leave the everyday pulse of this community, we will still be in touch through Kingdom efforts in this city.

Daniel Read
