THIS MARCH

Rooted Sermon Series Continued

Over 100 people are currently meeting in 10 different groups to explore the 7 rhythms that help us grow deep roots in our relationship with Christ. That is exciting! Through Sundays in March and up until Easter, we will focus each Sunday on one-after-another of these rhythms. Even if you have not been able to participate in this first round of a Rooted group, there will be 2 more 10-week sessions this year. One will start in May and another begins in the fall. Talk to Matt Robinson now and get your name on the list to join a group. In the meantime, ask someone currently in a Rooted group if they are finding it worth the time they are investing. We are pretty sure what the answer will be.

Saying Goodbye

By now you know that Daniel Read (Worship Minister), Paula Becker (Pre-School Minister) and Lynn Woods (Student Minister) have resigned their staff positions at Parkside and will be stepping into new situations in life. We are sad to say goodbye to these good and trusted friends, but also excited to see what God has in mind for their futures. Lynn's last Sunday with us will be March 3rd, Paula's will be March 24th. (at least in her official capacity), and Daniel's will be April 30th. We are grateful to all those who are stepping in to provide leadership as these 3 transition out. We will keep them in our prayers, and we will keep you informed as plans for new hires take place.

Your identity is not found in what you do, but who you are. And God has made you who you are.
