Coming in September New Sermon Series

When we meet Jesus, our journey is transformed. He changes our direction, he changes our focus, he changes us. He doesn't schedule an appointment or ask where he fits into our plans. He simply shows up. We must decide whether or not to make time for him. Join us in September as we all let Jesus reroute our lives.

Happy 90th Birthday Parkside

We had a wonderful celebration on July 14th celebrating our church's big birthday. Many enjoyed the video that featured former Senior Ministers Wayne Stout, Steve Reeves and David Ray, along with members of the Winsome Bible School class. That video is now posted on the Parkside YouTube channel, along with the "extended play" version that features many more of the stories and memories of our former leaders.

Destination of the Parkside Library

You have noticed the remodeling progress in the former Parkside library room, now known as the Cambridge Room. So, what happened to all the books? Some of the reference books are housed with Matt Robinson, and he invites you to use or peruse them at any time. The Children's books have been moved downstairs in the Children's Ministry area. Adult Fiction, Parenting Materials and MOPS materials are in the long hallway down from the nursery. Many of you took possession of books you will keep and enjoy. What about the rest? Jim Lloyd, librarian at CCU, came with a crew and cleared out the remaining books. Books not kept at CCU will be passed along to one of two Christian seminaries in Myanmar, Myitkyina Christian Seminary and Faith Theological Seminary. And yes, their students read and speak English. What a wonderful destination and use for these volumes. Click [HERE](#) to see the students who are glad to receive our books.

PARKSIDE *KIDS* NEWS

First Look Toddlers - Pre K

Mining for gold has been around ever since humans discovered that first glittering speck of rock. But, there's something that is even better than gold. It's the Bible! The Bible is better than gold! It teaches us that God loves us all the time. It teaches us that God loves us so much He gave us Jesus to be our friend forever. It teaches us how to live our best life. And, it teaches us how to share our stuff. The teachings in the Bible are worth more to us than thousands of pieces of gold and silver. At the end of the day, learning how God, our Creator, wants us to live is worth way more than anything money can buy.

Grab a Bible, and get ready. We're going on a treasure hunt! We want to begin to uncover some nuggets of truth and set our preschoolers on a lifelong search for treasure - the kind of treasure that is better than gold.

August Key Verse

"Your teachings are worth more to me than thousands of pieces of gold and silver."

Psalm 119:72

Elementary August Focus

Our elementary kids will be learning that obedience is part of God's big plan!

God is the creator of the world. He's in charge of everything. We show that we trust God by obeying Him and His plan for our life. Jesus showed the ultimate act of obedience when He chose to obey His Father's plan to die for our sins.

August Key Verse

"The way we show our love is to obey God's commands. He commands you to lead a life of love.

That's what you have heard from the beginning"

2 John:6

Weekly Bottom Lines For August

Week One

When you learn about God, it's easier to follow Him.

Week Two

Trust and obey, even when you think your way is better.

Week Three

Trust and obey even when others don't.

Week Four

Trust and obey even if you don't know how it will work out.
